RLACK

The SR-36 is a hand-held radio that is modest in size, but bold in sound with the strength to pull in all those distant AM/FM stations. The new horizontal design from its top-selling predecessor still makes it the perfect travel companion, but also sits perfectly on any flat surface. With the built-in speaker, you have the option for headphone-free listening or simply plug in your earbuds for a more private listening experience.

With the SR-36's excellent sound and reception and its built-in speaker, you will be able to enjoy every day trip, journey, and adventure without ever missing your favorite radio station again.
