

## GENUINE 100 WR-1

FM / AM

Wooden Cabinet Receiver

The Genuine 100 can surprise with its warm and full sound despite its convenient size. The Genuine 100 has an analogue tuner and receives AM and FM frequencies. The radio is very easy to use thanks to a soft and precise responsive controller and a clearly visible analog scale. In addition to a headphone connection, the Genuine 100 also has an AUX connection. All you need is an 3.5mm jack cable (not included), and you can enjoy the music from your smartphone, tablet, mobile phone, etc. on the radio with great sound quality.
