

## WR-22

### FM-RBDS / AM / USB / Bluetooth Digital Receiver

Color

Presenting the Sangean WR-22—the latest evolution of the product that changed our perception of home audio. Its bold, detailed sound remains exceptional for a system of its size. Now, there's even more to like.

With Bluetooth® wireless technology, simply switch to the Bluetooth source and after initial pairing, start listening to your favorite music wirelessly. It's that simple. Whether you own a Smartphone, iPod, tablet or PC, you can enjoy your music without the constraint of extra cables. An advanced AM / FM-RBDS tuner displays useful information like song titles and artists. Expanded connections include a USB port for playing MP3/WMA files from USB drive as well as a headphone jack for private listening. Additional features include snooze, adjustable tuning step, dual alarm timer by radio, buzzer or Media (by USB), dynamic bass compensation for richer bass, rotary bass and treble control.... You'll appreciate these features, plus the same jaw-dropping sound, elegant black piano and dark walnut finish and easy operation you've come to expect from this system.

#### A System that grows with you

The system's versatility is right in tune with the ways we get our music today. There's a built-in AM / FM-RBDS ( Radio Data System ). With custom system packages, you can also enjoy music from your iPod or iPhone—even your computer, tablet or any Bluetooth device as well as the expanded connections include a USB port for playing MP3/WMA files from USB drive. This system adapts to all your musical needs, and endures because of its unmatched sound.

#### The Sangean Technology Difference

The WR-22 delivers powerful audio with a ported bass tube specially designed for more bass and loudness compensation that gives better bass response characteristics, and helps the WR-22 deliver sound beyond its size. Bass, treble, and balance controls let you further adjust the sound to your liking.

#### Extra-Large LCD Display

The WR-22 features an easy-to-read extra-large, backlit custom LCD display with adjustable dimmer.

#### Full function Remote Control

Enjoy convenient control from a distance with the included IR remote.

#### Simplicity by Design

The WR-22 is meant to be enjoyed right out of the box. Just plug it in and you're ready to go. Its sleek appearance and high quality materials complement this radio. There's a 3.5 mm auxiliary input for your MP3 or other portable player, and a headphone jack for keeping the music to yourself.
