

RCR-40

AM/FM-RDS(RBDS)/Bluetooth/AUX
Digital Tuning Clock Radio

Color
DARK WALNUT

The wooden cabinet RCR-40 is a clock radio engineered for convenience and functions that can be placed anywhere in the house. The simple slick design has a powerful interior under the real wood veneer generating a premium sound quality beyond satisfying. with up to 18 station presets from the tips of your finger, RCR-40 performs as a clock radio from distance offering 2 alarm timers with Human Wake System (HWS) to make sure you're not late for your appointments. The Built-In backup power and additional AA battery compartment will make sure you don't lose any of your favorite station presets in case of power surge or accidents.
